Life Sketch of St. Joseph

St. Joseph was a humble carpenter and was considered as a righteous man. Everything we know about St. Joseph, the husband of Mary the foster father of Jesus, comes from the Bible.

After marrying Mary, Joseph found that she was already pregnant and being "A just man and unwilling to put her to shame he decided to divorce her quietly, knowing that if he did so publicly, she could be stoned to death. An angel however, came to Joseph and told him that the child Mary carried was the Son of God and was conceived by the Holy Spirit. So Joseph accepted Mary as his wife. Mary writhed in labour pain. Having no one to help her to deliver baby Jesus. Eight days after his birth, St. Joseph brings Jesus to the temple for Circumcision, a requirement of the Jewish faith. At this time St. Joseph gives the baby the name "Jesus" and takes legal Paternal Custody.

A few years later an angel instructs St. Joseph to flee with his family to Egypt to elude death from Herod. Later, in a dream an angel guides St. Joseph to return to the district of Galilee. Which he does and creates a family home in Village of Nazareth.

We encounter about St. Joseph again in the description of Jesus in the temple in Jerusalem at the age of twelve. Mary and Joseph had departed from Jerusalem to return home amidst a large entourage heading in the same general direction. His Parents assumed Jesus was in the entourage and were shocked to learn otherwise and it is described St. Joseph and Mary returned to the temple and safely brought Jesus home. Saint Joseph is the Person who spent the most earthly hours and days with Jesus.

Socrates: Education means the bringing out of the ideas of Universal validity which are latent in the mind of every man

I have a dream

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream-I have a dream

I have a dream, a fantasy
To help me through reality
And my destination makes it worth the
while
Pushing through the darkness still another
mile
I believe in angels Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream-I have a dream

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I've crossed the stream-I have dream
I've crossed the stream-I have dream
